## MATERIALS:

- 4" Inch (10 cm) hoop (wooden Nurge screw hoops Size 1 are my favorite)
  - Scissors
  - DMC Cotton Embroidery Floss #3012
  - DMC Cotton Embroidery Floss #3032

  - Cotton or linen fabric material. For this pattern, I used natural linen with 180-200 g density
  - Pilot Frixion Pen or Pilot Frixion Fineliner for transferring the pattern (If you want to embroider on a dark fabric, it is better to use a water-soluble stabilizer)
  - Needle for embroidery (it should have a sharp point and large eye; for example, DMC embroidery needle N°3 or DMC Chenille needle N°24)
